Washington, DC Edition

President's Message

Dear EWI DC,

What a great looking Chapter! What a wonderful way to celebrate EWI's 75th Anniversary with a champagne toast in front of the White House! Thank you Cheryl for ordering the glasses and Rosemary for finalizing the details on the photo. I think the chances are good that we could win the 75th Anniversary photo contest...fingers crossed!

We had a wonderful Chapter fundraiser and shoe party last month held at TRAK Services. It was a real team effort to get all silent auction items ready for display and shoes in place before our guests arrived. Erin, of member firm Mindy's Catering, did a fabulous job with the food and drinks. Many of you donated items and wine to help make this creative fundraiser a hit! We raised just over \$800 dollars combined for Operating and BCDP budgets. Please keep your creative fundraising ideas coming for future EWI events.

I hope that everyone will plan to attend our ASIST Scholarship awards dinner next Wednesday May 8 at SunTrust. We would love to have full Chapter participation to celebrate the ASIST winner. It is always an inspirational evening for all who attend. Our guest speaker will be Marja Hilfiker who helped found the Academy of Hope adult education center in 1985. She is retired from full time teaching and continues to volunteer at Academy of Hope today. I look forward to seeing everyone at for special evening!

Best, Miriam

President EWI DC
